INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
An Claidheamh Soluis, Inc. (d/b/a Irish Arts Center)
IAC-NYC, LLC
New York, New York

We have audited the accompanying consolidated financial statements of An Claidheamh Soluis, Inc. (d/b/a Irish Arts Center) and IAC-NYC, LLC (together "the Organizations"), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

An Claidheamh Soluis, Inc. (d/b/a Irish Arts Center) is a non-profit organization, incorporated in the State of New York. Irish Arts Center is a New York based arts and cultural center dedicated to projecting a dynamic image of Ireland and Irish America for the 21st century, building community with artists and audiences of all backgrounds, forging and strengthening cross-cultural partnerships, and preserving the evolving stories and traditions of Irish culture for generations to come.

Irish Arts Center's multi-disciplinary programming is centered around three core areas: performance – including live music, dance, theatre, film, literature, and the humanities; exhibition – including visual arts presentations and cultural exhibitions that tell the evolving Irish story; and education – with dozens of classes per week in Irish language, history, music, and dance.

Located in New York City, a global capital of arts and culture, Irish Arts Center serves as a dynamic platform for top emerging and established artists and cultural creators to reach a New York, national, and global audience, and as a gateway for other institutions to access first-rate Irish and Irish American culture.

Irish Arts Center is currently constructing a new facility to serve its multi-disciplinary programmatic activities. The first phase, on Eleventh Avenue, will contain a new multi-disciplinary, flexible performance venue, a lobby and cafe, studio and classroom spaces, back-of-house support and storage spaces, and technology capability to project Irish Arts Center on the digital platform, and will connect to the existing 51st Street building which will be renovated in a second phase and will contain a second, smaller venue, storage and office spaces.

During fiscal year 2015, Irish Arts Center established IAC-NYC, LLC, a limited liability company (LLC). IAC-NYC, LLC is a single member, special purpose entity (SPE) created for the purpose of holding title to real property. An Claidheamh Soluis, Inc. is the sole member of IAC-NYC, LLC.

During the year ended June 30, 2019, IAC-NYC, LLC received land from the City of New York and began incurring construction costs related to the new facility (referred to as "the Center"); accordingly, all such financial activity is included in the accompanying consolidated financial statements.

Basis of presentation -

The accompanying consolidated financial statements are presented on the accrual basis of accounting, and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- **Net Assets Without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions are recorded as "net assets without donor restrictions". Assets restricted solely through the actions of the Board are referred to as Board Designated and are also reported as net assets without donor restrictions.

IAC-NYC, LLC**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Basis of presentation (continued) -

- **Net Assets With Donor Restrictions** - Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in "net assets with donor restrictions", depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Consolidated Statements of Activities and Changes in Net Assets as net assets released from donor restrictions. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service.

Principles of consolidation -

The accounts of Irish Arts Center have been consolidated with IAC-NYC, LLC (collectively, the Organizations) pursuant to the criterion established by FASB ASC 958-810, *Not-for-Profit Entities Consolidation*. Under FASB ASC 958-810, consolidation is required if a separate not-for-profit organization has control (i.e., major voting interest) and significant economic interest in that other organization. All intercompany transactions have been eliminated in consolidation.

New accounting pronouncement adopted -

During 2021, the Organizations adopted Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended. The ASU provides a framework for recognizing revenue and is intended to improve comparability of revenue recognition practices across for-profit and non-profit entities. Analysis of the various provisions of this standard resulted in no significant changes in the way the Organizations recognized revenue; however, the presentation and disclosures of revenue have been enhanced. The Organizations have elected to opt out of all (or certain) disclosures not required for nonpublic entities and also elected a modified retrospective approach for implementation.

Cash and cash equivalents -

The Organizations consider all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000.

Included in cash and cash equivalents are short-term certificates of deposit (totaling \$0 and \$250,531 at June 30, 2021 and 2020, respectively) with maturities of three months or less (from the Consolidated Statements of Financial Position date). Certificates of deposit are recorded at cost plus accrued interest, which approximates fair value.

At times during the year, the Organizations maintain cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Pledges and grants receivable -

Pledges and grants receivable that are expected to be collected in future years are recorded at their fair value, measured as the present value of their future cash flows.

Discounts on these amounts are computed using published interest rates based on the Federal prime rate. Amortization of the discounts is included in contributions and grants revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Allowance for doubtful accounts -

Receivables are evaluated for collectibility and an allowance is adjusted as a reserve for receivables. The allowance for doubtful accounts is determined based upon a quarterly review of account balances, including the age of the balance and the historical experience with the donor or payor. In calculating the adjustment for the allowance for doubtful accounts, the Organizations employ both specific provisioning (based on a risk assessment of each individual receivable) and general provisioning (based on 1.25% of the annual revenue for the annual fund and 5% of overall outstanding receivables for the Capital Project). The allowance is calculated and accounted for in the accompanying consolidated financial statements.

Income taxes -

Irish Arts Center is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying consolidated financial statements. Irish Arts Center is not a private foundation.

As a disregarded entity, the activity of IAC-NYC, LLC is reported in Irish Arts Center's IRS Form 990.

Uncertain tax positions -

For the years ended June 30, 2021 and 2020, the Organizations have documented their consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and have determined that no material uncertain tax positions qualify for either recognition or disclosure in the consolidated financial statements.

Property and equipment -

Property and equipment in excess of \$1,000 are capitalized and stated at cost. Property and equipment are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to fifteen years. Leasehold improvements are amortized over fifteen years. The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation and amortization expense for the years ended June 30, 2021 and 2020 totaled \$19,922 and \$20,803, respectively.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Construction in progress -

The Organizations are carrying out a capital project consisting of construction of a new building to enhance program services of the Center. The funding sources of this project thus far are mainly coming from the City of New York, the State of New York, the Government of Ireland, private donors and foundations (Note 2).

The Organizations have capitalized \$49,283,605 and \$38,637,428 of costs through June 30, 2021 and 2020, respectively. The Organizations will begin depreciating the costs once the Center is operational.

Impairment of long-lived assets -

Management reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the assets is reduced, by a charge to Consolidated Statements of Activities and Changes in Net Assets, to its current fair value.

Revenue recognition -

The majority of the Organizations' revenue is received through contributions/pledges and grants individuals, foundation, local governments and other entities. Contributions and grants are recognized in the appropriate category of net assets in the period received. The Organizations perform an analysis of the individual award to determine if the revenue streams follow the contribution rules or if they should be recorded as an exchange transaction depending upon whether the transactions are deemed reciprocal or nonreciprocal under ASU 2018-08, Not-for-Profit Entities (Topic 958): *Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*.

For awards qualifying under the contribution rules, revenue is recognized upon notification of the award and satisfaction of all conditions, if applicable. Awards qualifying as contributions that are unconditional that have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Funds received in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying consolidated financial statements.

Awards qualifying as conditional contributions contain a right of return or right of release from obligation provision and a defined barrier (or barriers), and the entity has limited discretion over how funds transferred should be spent. Accordingly, revenue is recognized when the condition or conditions are satisfied (when the related barrier has been overcome; generally, when qualifying expenditures are incurred); these transactions are nonreciprocal and classified as conditional and are therefore recognized as contributions when the revenue becomes unconditional. Funds received in advance of the incurrence of qualifying expenditures are recorded as refundable advances.

IAC-NYC, LLC**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Revenue recognition (continued) -

Awards related to the new Irish Arts center are treated as conditional until those funds (including uncollected commitments) are used (or committed) to support the development, design, construction and renovation of its new building(s) and the enhancement of future programs, as specified by applicable agreements. See Note 2 for additional information about conditional awards that have not yet been recognized in the accompanying consolidated financial statements.

The Organizations receive revenue under contracts that are deemed to be exchange transactions and follow ASU 2014-09, *Revenue from Contracts With Customers*. Registration fees, ticket sales, merchandise and concession sales income are recognized as revenue at the time the transaction is incurred, which typically occurs at the point of sale. The transaction prices are based on market rates or amounts set by the Organizations and satisfied by customers/members at the time the transaction is realized. The Organizations record such revenue when the performance obligations are met, and the revenue is recorded as without donor restrictions.

Membership dues includes general member benefits that are a series of distinct obligations and are recognized as revenue during the applicable fiscal year. There are several benefits received that are individual distinct obligations such as discounted class registration and admission to programs; however, they are immaterial in nature to the contract and thus are included with the general member benefits.

As funds for construction of the new Irish Arts Center are not typically received in advance of incurring capital expenditures, there are no refundable advances recorded in the accompanying Consolidated Statement of Financial Position.

In-kind contributions -

In-kind contributions are recorded at their fair value as of the date of the gift. Donated goods include floral arrangements, works of art, musical instruments, airline tickets, beverages and food; donated services include class instruction and artist performance. During the years ended June 30, 2021 and 2020, the Organizations received contributions of goods and services with a fair value aggregating \$34,641 and \$136,453, respectively.

Use of estimates -

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Consolidated Statements of Activities and Changes in Net Assets.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Functional allocation of expenses (continued) -

Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributable to specific functional areas of the organization are reported as expenses of those functional areas while indirect costs that benefit multiple functional areas have been allocated among the various functional areas based on an internal assessment of time spent on each program or support function. Included in Program Services are period costs related to the new building project activities including allocated salaries, contracted services, and utilities; during the years ended June 30, 2021 and 2020, such expenses that are included in "Program Services" (in the Consolidated Statements of Functional Expenses) totaled \$438,014 and \$117,688, respectively.

Economic uncertainties -

On March 11, 2020, the World Health Organization declared the Coronavirus disease (COVID-19) a global pandemic. As a result of the spread of COVID-19, economic uncertainties have arisen which may negatively impact the Organizations' operations; the overall potential impact is unknown at this time as the situation continues to evolve as of the date of this report.

The Organizations are regularly monitoring their construction activities and associated costs to ensure a successful completion. Management is also actively monitoring all other operational aspects and any potential impact on the Organizations' financial condition, liquidity, operations, industry, and workforce.

New accounting pronouncements (not yet adopted) -

ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* improves generally accepted accounting principles (GAAP) by increasing the transparency of contributed nonfinancial assets for not-for-profit (NFP) entities through enhancements to presentation and disclosure. The amendments in this Update address certain stakeholders' concerns about the lack of transparency relating to the measurement of contributed nonfinancial assets recognized by NFPs, as well as the amount of those contributions used in a NFP's programs and other activities. The ASU should be applied on a retrospective basis and is effective for annual periods beginning after June 15, 2021, and interim periods within annual periods beginning after June 15, 2022. Early adoption is permitted. The amendment will not change the recognition and measurement requirements for those contributed nonfinancial assets.

ASU 2019-01, *Leases* (Topic 842) changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the Consolidated Statements of Financial Position and disclosing key information about leasing arrangements. During 2020, the FASB issued ASU 2020-05 and delayed the implementation date by one year. The ASU is effective for non public entities beginning after December 15, 2021. Early adoption is still permitted. The ASU can be applied at the beginning of the earliest period presented using a modified retrospective approach or applied at the beginning of the period of adoption recognizing a cumulative-effect adjustment.

2. CAPITAL PROJECT COMMITMENTS

Irish Arts Center is currently constructing a new facility to serve its programmatic activities. The first phase on Eleventh Avenue will contain a new multi-disciplinary, flexible performance venue, a lobby and café, studio and classroom spaces, back-of-house support and storage spaces, and technology capability to project Irish Arts Center on the digital platform, and will connect to the existing 51st Street building, which will be renovated in a second phase and will contain a second, smaller venue, storage and office spaces.

On December 18, 2006, the State of New York awarded a grant of \$600,000 through the Empire State Development Corporation for maintenance and improvements to Irish Arts Center, payable on a reimbursable basis. As of March 4, 2015, the original grant award was amended to \$500,000.

As of June 30, 2015, \$190,881 had been drawn for maintenance and improvements to Irish Arts Center.

In March 2017, the scope of the grant award was amended and the \$309,119 remaining was allocated to the capital project, for pre-development costs and costs associated with the temporary relocation of Cybert Tire. As of June 30, 2021, \$500,000 of the full \$500,000 award, \$309,119 of which was for the capital project, has been drawn.

Additional New York State support for the capital project, received in fiscal year 2017 includes: \$2,000,000 Empire State Development Regional Council Award on December 8, 2016 (of which a grant disbursement was completed on February 9, 2018); \$1,500,000 New York State Senate, State and Municipal Facilities (SAM) grant on May 17, 2017; and two \$250,000 New York State Technology and Development Program awards through New York State Assembly confirmed in June 2017.

Additional New York State support for the capital project includes \$100,000 Economic Development Assistance Program (EDAP) award through New York State Senate confirmed in January 2018. Additionally, New York State Council on the Arts awarded the organization a Capital Equipment (Facilities) grant of \$49,500 in July 2019.

The Government of Ireland has contributed \$9.28 million to the project. On December 2, 2009, the Department of Foreign Affairs made an initial payment of \$73,500 as reimbursement for project-related payments. A grant of \$3.45 million from the Emigrant Support Program (ESP) of the Department of Foreign Affairs to support the planning, development and design of the new facility was made on December 10, 2009. An additional grant in the amount of \$1.25 million was made on December 24, 2014 from the ESP of the Department of Foreign Affairs and Trade. On December 23, 2016, the Department of Arts, Heritage, Regional, Rural and Gaeltacht Affairs (DAHG) awarded a grant of \$1,037,200 to support site control, architect and related project management, feasibility and due diligence, other direct consultants, environmental, and relocation costs.

2. CAPITAL PROJECT COMMITMENTS (Continued)

In fiscal 2021 and 2020, the City of New York funded \$7,727,323 and \$17,077,092, for work in progress relating to the new Irish Arts Center, respectively.

The City's investment of capital funding obligated An Claidheamh Soluis, Inc. and IAC-NYC, LLC to operate the facility and/or maintain equipment for the respective bonding term as a non-profit entity, open to and used and maintained for the benefit of the people of the City of New York for cultural, educational or artistic uses and/or related purposes approved by the City.

3. PLEDGES RECEIVABLE

As a result of its efforts to raise funds necessary to fund the design, development and construction of its new Irish Arts Center and the enhancement of the Center's programs, the Organizations have received various commitments for support (in the form of multi-year pledges) in support of the capital project (of which \$1,513,250 and \$1,552,000 had not yet been collected as of June 30, 2021 and 2020, respectively).

Additionally, the Organizations received commitments for support (in the form of pledges) in support of current programming and operating activities, of which \$148,961 and \$42,000 had not yet been collected as of June 30, 2021 and 2020, respectively.

Pledges receivable are expected to be collected from donors over several years; those pledges which are due beyond one year from the Consolidated Statements of Financial Position date have been appropriately discounted using an effective interest rate ranging between 4.50% and 5.25% (the Federal prime rate at the time the pledge was made).

Following is a summary of all pledges receivable as of June 30, 2021 and 2020:

Year Ending June 30,	2021	2020
2021	\$ -	\$ 717,000
2022	847,711	390,000
2023	356,250	205,000

 PLEDGES RECEIVABLE, NET OF ALLOWANCE AND DISCOUNT	 <u>\$ 1,467,443</u>	 <u>\$ 1,382,323</u>

At June 30, 2021, \$847,711 is presented above as current; of this total, \$303,961 was due from the Organizations' donors as of June 30, 2021 but not collected, however, \$168,961 (56% of this total) has been subsequently collected.

3. PLEDGES RECEIVABLE (Continued)

At June 30, 2020, \$717,000 is presented above as current; of this total, \$159,500 was due from the Organizations' donors as of June 30, 2020 but not collected, however, \$143,500 (90% of this total) had been subsequently collected (as of the date of this report, the entire balance due as of June 30, 2020 has been fully collected).

In addition to documented private sector pledges for the planning, development and design of the new facility, the Organizations have also received verbal pledges from the private sector for the project in the amount of \$1,550,000, of which installment payments of \$1,230,000 have been received by the Organizations as of June 30, 2021; these pledges have been made by donors with a history of similar pledges and who have an ongoing relationship with the Organizations and as such are viewed as likely to be honored; however, because they are not documented in writing, management has not recorded the unpaid pledges as revenue.

4. NOTE PAYABLE (PAYCHECK PROTECTION PROGRAM)

On May 24, 2020, Irish Arts Center was granted a loan of \$267,642 from M&T Bank pursuant to the Paycheck Protection Program (PPP) administered by the Small Business Administration (SBA) under the CARES Act. The PPP loan was forgiven on January 13, 2021 and recognized as contribution revenue during the year ended June 30, 2021.

On January 28, 2021, Irish Arts Center received a second loan of \$265,805 from M&T Bank pursuant to PPP. The promissory note bears an interest rate of 1% per annum which accrues on the unpaid principal balance. No payments of principal or interest are due during the six-month period beginning on the date of the PPP loan (the "Deferral Period"). The PPP loan (and accrued interest) may be forgivable after eight weeks as long as the organization uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. Irish Arts Center has used the entire loan amount for qualifying expenses, and on September 28, 2021 it received formal notification of forgiveness. Accordingly, the full value of the loan has been classified as a current liability in the accompanying Consolidated Statement of Financial Position. The full PPP loan amount will be recognized as contribution revenue for the year ended June 30, 2022.

5. LINES OF CREDIT

As previously noted, all city and state funding agreements provide for reimbursement of costs upon submission of a requisition which include evidence of payment and the satisfaction of requirements per each funding agreement.

On October 9, 2018, An Claidheamh Soluis, Inc. and IAC-NYC, LLC, entered into a loan agreement and note, assignment and pledge of membership interest, pledge and assignment of deposit accounts, interest rate cap agreements and cooperation agreements for a line of credit in the amount of \$9,750,000 with M&T Bank to bridge capital expenditures associated with city and state funding agreements. Borrowings on the line of credit bear interest at an adjustable LIBOR rate plus 3.50%. The Organizations exercised a rate cap agreement for LIBOR at 3% which caps the rate at a maximum total of 6.5% for the first \$7,500,000 of the line of credit. 8. CONTINGENCY

The amount will only become payable if a default occurs under the terms of the enforcement note and enforcement mortgage. The enforcement note requires IAC-NYC, LLC to complete the construction within the terms outlined in the land disposition agreement, and the LLC is prohibited to transfer or sell any portion of the land during the term of the enforcement note.

Additionally, until the issuance of a Certificate of Completion by New York City Department of Housing Preservation and Development (HPD) a prohibited transfer, without the prior written consent of HPD, shall constitute an event of default.

The land disposition agreement, along with the deed, restrictive covenant and funding agreement provide for certain other defaults if the project is not constructed or operated in accordance with the terms thereof.
